The Danville Boat Club can accommodate up to 150 people when the dance floor area can be utilized for seating. In the case of weddings and other similar events, when the dance floor is desired for dancing or other purposes, seating is comfortable at approximately 130 people. In climate weather, the outside deck, which overlooks the lake, can accommodate another 45-50 people. A beautiful gas fireplace is available for added ambiance. Ample bathroom space is provided for clients to make finishing touches!

Our rates are very competitive with other rental venues in and around the Danville area. Let us make your event special with our unique setting!
