The club is all about members having fun with fellow members at our fine lake front facility. In fact, I don't think it would be going too far to say it is our "mission." July is coming up and we have some particularly fun parties and events planned. On July 1st we have our Fireworks & Music Fest. There will be two bands performing, House of Cards, a variety band, and the Salt Fork Ramblers, a country band, playing between 6:00 and 9:30 p.m. up until the fireworks display, which will be spectacular. The Balloon Splash-n-Dash is scheduled for July 13th, which is always something to marvel at. Last but not least, the Golf Outing will be held on July 22nd. I'd say that's an outstanding line up of events for you all to enjoy with your fellow members and guests. And I'm happy to report this year we had another outstanding turn out for the Raffle in May. It is a particularly challenging event for a committee to organize and run. They did a great job and exceeded last year's results. Thanks to the chairs and committee members who contributed to the effort.

Once again with regard to Retrial membership, any member then in good standing who has dropped his or her membership, has the opportunity to rejoin the club without paying an application fee or dues until December 31, 2017. They then have the option of moving into whatever class of membership they qualify for based on their circumstance and pay ¾ dues payable by February 28, 2018. I ask you all again to reach out to any past member(s) who come to mind to see if they'd like to give us another chance with a Retrial membership. All they need to do is accept and provide their contact information so we can send them the Tattler and weekly e-newsletter. Having fun at the club will be good for them.

I want to give a special thanks to the Outdoor Committee and all the members who donated their time and efforts improving the grounds of our club and exterior of the clubhouse. Dale Salonen agreed to chair the committee and I must say I had high expectations as to what would be accomplished this year. That said, my expectations have been exceeded by such a high degree, I'm almost left speechless...almost. In the spirit of members giving of themselves to make the club a better place for their fellow members to enjoy, I can't say enough about what all the members involved have done so far this year, and is not yet over!! On behalf of the membership a sincere thanks!

The "ship" is sailing along smoothly.

See you at the club
