## From the Bridge: Commodore Ed Ochoa

Our Town Hall-Special Membership meeting took place at the clubhouse on May 4<sup>th</sup>. It was largely a resounding success. We gleaned valuable input from the members in attendance with regard to the operation of the Club, which the Board of Directors will process and implement. Our temporary Retrial membership was approved as well. The sale of two or all three lots of the boat trailer parking property did not pass, which leaves us with capital needs not met in the short-run.

For the balance of the calendar year, Retrial membership is one of our biggest opportunities for growth. Again, any member then in good standing who has dropped his or her membership, has the opportunity to rejoin the club without paying an application fee or dues until December 31, 2017. They then have the option of moving into whatever class of membership they qualify for based on their circumstance and pay ¾ dues payable by February 28, 2018. We all joined the club and remained active for a relative period of time because it is fun to come out and enjoy the fellowship of the members at our fine lake front facility. I ask you all to reach out to any past member(s) who come to mind to see if they'd like to give us another chance with a Retrial membership. All they need to do is accept and provide their contact information so we can send them the Tattler and weekly e-newsletter. Now is the best time to bring them back on board.

The club continues to improve and move forward due to the enthusiasm and participation of our active members, and the efforts of the Board of Directors, Trustees and Galley Crew. For those members who have not been out for a while, come out and have fun with us.

See you at the club

**Only Boat Club Members, in Good Standing, can participate in the JACK of CLUBS DRAWINGS** at Thursday/Friday night dinners. Tickets cost \$5 each. After dinner one ticket will be drawn and the Boat Club Member holding the winning ticket number will draw one playing card from a deck of 54 cards, which includes the 2 jokers. If the **JACK of CLUBS** is drawn the winner receives ½ of the total pot. One of the 2 jokers has Commodore written on it and when drawn it is an instant \$50 DBC Gift Certificate winner. If the **JACK of CLUBS** is not drawn, the card drawn will be destroyed and the pot will roll over until the next Thursday/Friday night dinner drawing.
