From the Bridge: Commodore Marcus Provost

Hello and welcome aboard the New Year! We are in full swing for 2018 and it is hard to believe January has nearly come and gone. A new year brings a great time to try new things and to do things differently. We at DBC are going to do just that – try something different.

We are going to shake things up a little for our Thursday night dinners. Starting February, we are going to hold dinners on the 2nd and 4th Thursday of each month. On the 2nd Thursday dinner, we are going to offer a limited cooked to order menu rather than the traditional buffet style service. On the 4th Thursday dinner, we will continue to have our traditional prime rib offering. We are excited about this new change and we hope you will be, too.

Keep in mind, no matter what we try to do differently, it will only work if our members support the change by coming out to utilize the services our club offers. As with New Year Resolutions, I asked that each of you consider the idea of attending Thursday Dinner Night on a more regular basis during 2018 and beyond.

Please know that we (board of directors) are listening to your feedback and we will continue to do all we can to provide the ideal experience for everyone. If there is something you would like for us to consider or explore, do not hesitate to reach out to me or any board member and share your thoughts and ideas. Our goal is to represent you and the club the best we possibly can. By doing so, we hope that will encourage your increased support, usage, and recruiting of new members.

Thank you for all you do to help make our club a great experience!

Marcus Provost
Commodore
