From the Bridge: Commodore Marcus Provost

While Spring is trying to make its way in, Old Man Winter still reminds us that he is not yet ready to leave. However, I am sure many of you are itching to get the boat motors roaring, dust off the clubs, plant your gardens, or simply sit outside and enjoy the fresh air and good conversations. I am eager to see our clubhouse deck filled with members and hear echoes of laughter. It truly is one of the best features of our clubhouse.

Spring is a great time to enjoy our club, but it is also a time to dig in and support one of our most significant fundraisers. Our annual raffle is fast approaching and we need your full participation this year. With fewer members, we all need to dig a little deeper and sell a few extra tickets per member. Our raffle committee is working diligently to bring us a great event. While I am confident they will do a fantastic job, I am also confident they will appreciate our full cooperation and effort. Please do not hesitate to proactively ask them how you can lend a helping hand. Again, this is one of our most important fundraisers of the year and let's make this year one of the best ever.

As you are driving to and from the club, take a minute to stop and admire our new sign. It is a display of great craftsmanship and I appreciate all those that helped create it. It looks great! Yet again, a real life testimonial that showcases the moral fiber of our club. As I have stated in the past, a club is only as good as its members and we are a great club!
