Letter From Your Commodore, Deb Fridy:

Greetings All!!!

May starts in a run at the Danville Boat Club. Join us for the Kentucky Derby Party on May 4. Come in your finest attire with your best hat!! Maybe you'll win the Best Dressed contest. This year's event is in honor of one of the DBC Derby founders – Bill Cooper.

Don't forget to honor Mom by making a reservation for our Mother's Day Buffet on May 12. Adults are \$23.95 and Children 4-11 are \$11.95.

Look for the sign-up for the Boat Poker Run to be held on June 15. Join in on this fun event . checking in at various docks around the lake to get a "winning" poker hand put together.

Our Thursday Lunches have started again. Please join us and support this weekly event. Bring your friends and have lunch on the lake – deck seating is available.

And of course our annual Fireworks Display on June 29th Please donate to support this event. The community looks forward to this each year.

Unfortunately, we are in the same "boat" as all other eating establishments. Our costs have increased astronomically also. Effective May 1, we will be making some price adjustments. Please understand we are trying to hold these to a minimum, but it is unfortunately, necessary.

Don't forget about the Suggestion Box at the front door. We make every effort to make those suggestions happen. We are always open to hearing what our membership wants!

Have a great month and I hope to see you SOON!!

*We can't direct the WIND . . .
but we can adjust the SAILS!!*

Your Commodore . . . Deb Fridy
